

Give Me Light

Capo 1

Fm- start on a string fret 7

Em9 **D#9** **C/g**
I've been stranded here in the dark
Isolated thinking of your heart
How it's helped me to come back
Oh my soul see through the cracks

Em G **C/g**
I need to run back to the sun

Em9 **D#9** **C/g**
I can't afford the pills you prescribed
To keep the dark and dangerous thoughts tied
I know with you I can fight
There's not much to getting through the night

Em G **C/g**
I need to run back to the sun

G
Give me light

Em
Give me light

G
Give me light

Am
I need light

G Em Am G
