

Many Lights- Cm

Bb Cm Cm Bb Ab

I'm afraid I found you but you're not real

Bb Cm Cm Bb Ab

I was thinking of waiting but we can't know how you feel

Bb Cm Cm Bb Ab

The bottle is dry I found what I love

Bb Cm Cm Bb Ab

I've been waiting on something I have no control of

Bb Ab

I've been away

Bb Ab

Tell me again I'm okay

Bb Ab

I've been away

Bb Cm Ab

That you don't mind if I stay

Bb Cm Cm Bb Ab

I have an old soul but I still run wild

Bb Cm Cm Bb Ab

Scared to death that I can't control my mind

Bb Cm Cm Bb Ab

What if I hurt you what if you treat me like her?

Bb Cm Cm Bb Ab

I think we'll want it but you're right we can't be sure

Cm Bb Ab

Don't you wanna sing forever?
